

OUR LIFE MISSION

“Sharing the hope of Jesus Christ with those who believe they are hopeless”

Santa brings the Joy of Christ in a shoebox

Pastor Toney from Bayshore Baptist church along with his 10 year old son Kanden join us in Romania to hand out shoeboxes and share the love of Jesus for Christmas.

Churches from the states partnered with Our Life Mission and blessed us with shoeboxes plus hats, gloves, sweatshirts and more this year. Reaching out to about 1,000 children in need in two cities and over 12 villages in all.

Mission teams bring LIFE

We are truly blessed when teams travel to Romania to labor with us in the fields. It never seems to fail me as we serve together we see Jesus show up in so many ways...

It's very difficult to put into words but sometimes a picture. With so many children in Romania living in poverty a Christmas shoe box filled with candies, toys, socks and more are enough to let them know they are loved and not forgotten. For this very reason we are grateful to all the churches and people that take the time to create a box filled with love to ship to OLM and allow us to give to those in need.

Hopelessness feelings of unloved changed with simple compassion

Not enough pages for all the pictures ..

So many smiles so many stories to share. If you would like to see more join us on Facebook on our mission page at Our Life Mission.

We at OLM wish to thank you all for a wonder and blessed 2017 in Romania.
